

SURVEYS BEING COMPLETED FOR "BACKBONE" ROAD

Drawings Being Made of Route for Highway from Bristol to Doylestown

WILL BE 40 MILES LONG

"Cloverleaf" To Be Built At Lincoln Highway Near Langhorne Manor Boro

Surveys and drawings for Bucks County's "Backbone Highway," from Bristol to Doylestown and Quakertown, are in process of preparation by the engineers of the Pennsylvania State Highway Department.

The road will total 40 miles, of which 12 miles beyond Doylestown already has been completed. The plans call for it to begin at Bristol, connecting with the new by-pass highway U. S. Traffic route 13, at a point near the approach to the Bristol-Burlington bridge across the Delaware.

Along the selected route there are the boroughs of South Langhorne, Langhorne Manor, Langhorne, Newtown, Doylestown, Dublin and Quakertown, as well as the settlements of Rindland and Furlong.

The highway will extend beyond Quakertown to afford a new connection with the Bethlehem Pike, Traffic route No. 309. A "cloverleaf" and separation of highway grades will be provided at the intersection with the Lincoln Highway near Langhorne Manor Borough. There will be five grade-separation structures to avoid railroad grade-crossings.

The plan calls for a 24-foot modern concrete road, with 8-foot shoulders and an 80-foot right of way.

In working out the surveys, the engineers have been using aerial maps for reconnaissance studies which have been of much value in determining the alignment so as to avoid buildings and other obstructions.

The five stages of the project, in the order in which they are to be made, are as follows:

Stage No. 1

Five miles from Bristol to the Lincoln Highway. The plans for this now are being developed.

Stage No. 2

Four miles from the Lincoln Highway to a point near the Bort.

THE GREAT GAME OF POLITICS

By FRANK R. KENT

Stupid Strategy

Washington Oct. 21. A RATHER ridiculous effort is being made in this campaign by the so-called Democratic strategists to win this election by extravagant eulogies of the late Mr. Roosevelt. In state platforms in which influence of the national managers is felt, the fact that Mr. Roosevelt's name is mentioned seven or eight times and Mr. Truman's once—or not at all—is played up as though that were a clever thing to have done.

FOLLOWING this line, it has become more or less habitual—particularly among the so-called liberal periodicals and press writers—to ignore Mr. Truman and devote practically all their time to eulogizing his predecessor. From the practical point of view, the ghoulish stupidity of this ought to be obvious. In the first place, Mr. Roosevelt is very dead, indeed, whereas Mr. Truman is a much-alive President.

NATURALLY, praise of Mr. Roosevelt and the "Roosevelt policies" by Democratic conventions, candidates and leaders (including Mr. Truman himself) is to be expected. Failure to do that would be absurd. It would amount to repudiation by the party of the party and of the party's former President. Parties never repudiate themselves. That is the main reason no one-term President is ever denied a renomination or can afford not to take one. Failure to renominate or fail—

HERE AND THERE IN BUCKS COUNTY TOWNS

Activities of Interest To All in The Various Communities

GLEANED BY SCRIBES

As guests of Colonel Jay Cook, 11th Regiment, a group of 12 men from this area, including some in Montgomery county, met at Warrington Inn, Tuesday evening, to plan for reorganization of Company D, 11th Regiment, P. N. G., which was taken into the Army during World War II.

Colonel Cook spoke of the reorganization of the State Guard as a necessity for providing protection should this country be attacked, as a matter of pride for Bucks counties and as a means of training young men so that they would not be seriously unprepared if called upon suddenly for military service.

His conscience apparently getting the better of him and the sedan he was operating getting low in its supply of gasoline, Lee L. Laver, 25, Pottstown, stopped on Tuesday at the home of Miss Eleanor D. Worthington, Hartsville, and informed her he had stolen the sedan, and requested her to notify the state police.

Officers of the barracks in Doylestown were notified, and they in turn contacted the Collegeville barracks. Later, Laver, who is said to be a

A SUMMARY OF THE NEWS

Berlin, on the basis of early returns, overwhelmingly repudiated the Communist-dominated Socialist Unity party yesterday in the first free elections held in the German capital in 14 years. The Socialist Unity ticket was losing even in the Soviet sector. Social Democrats polled nearly half of the first 15% of the votes tabulated. Then came the Christian Democrats, Socialist Unity and Liberal Democrats in that order.

Crude bombs were exploded at the United States military police headquarters and a German denazification court in Stuttgart and a similar court in Backnang. No one was injured and damage was slight. The explosions were attributed to an underground Nazi movement.

The Russian newspaper Pravda declared that Turkey's note to Moscow on the Dardanelles was the result of "extremely crooked secret negotiations between Turkish and American diplomats."

Nationalist troops in China were reported to be ready to execute immediately detailed plans for the recapture of Communist areas in Manchuria.

Have A Son

A son was born to Mr. and Mrs. Louis Nicoletti, Lafayette street, on Friday in Harriman Hospital.

DON'T BE FOOLED AGAIN!

The Truman Administration has just made a startling reformation.

After eighteen months' rigid insistence on continuing war controls—now it's going to de-control!

It's going to economize!

It's going to balance the budget!

It's going to pay off the debt!

From one of the most radical regimes in all American history, it has somersaulted awkwardly back to a "middle of the road", conservative position.

To the New Dealers, this is old stuff.

It is the sort of political sleight-of-hand we have witnessed in one key election after another.

The question is, will it fool enough voters to give the New Deal a new lease of life in the National Congress?

That's the big question for the rest of the campaign.

The voters were mighty sore. They have "had enough" with a vengeance. The meat famine was the pay-off.

The Gallop poll, which was made before the meat shortage became acute, showed Democratic strength to be at the lowest ebb in sixteen years.

After these surveys were made, and in the "lag" while they were being correlated and tabulated, the Democratic support unquestionably dropped far lower.

There have been repeated rumors, for example, that the Democratic heads in this state figured they would be lucky indeed if they lost this state by no more than 200,000.

A New York Times reporter who canvassed the state and wrote up his findings apparently wasn't able to find a single Democrat who thought it was worth while even to pretend he expected to win.

The Democratic situation was desperate, and it got a desperate treatment. The President surrendered all along the line. Away went price control. Away went wage

NEARLY 200 ATTEND

Hopkins Lodge, No. 87, Independent Order of Odd Fellows, welcomed home the 50 members of the order who served in the armed forces in World War II, paid tribute to six members who paid the supreme sacrifice, and marked its 103rd anniversary in a fitting manner Saturday night.

A turkey dinner was catered to nearly 200 in the dining hall of the Bristol Methodist Church by members of Lily Rebekah Lodge, No. 366, who did a superb job. The diners were seated at long tables decked with cut fall flowers beneath a canopy of festooned paper streamers.

The speaker of the evening was the Rev. Howard Burke, Past Grand of New Jersey, and Howard Smoyer acted as toastmaster. Brief remarks were made by John Dunn, N. G.; Wilbur Albright, U. G.; and George Bailey, Jr., District Deputy.

In his introductory remarks the toastmaster spoke of how Odd Fellowship had been carried to the four corners of the world during the war. He told of the trying times in keeping the organization functioning at home during the war and of the greatly revived interest since the boys had returned.

THIRD WARD WINS OVER BENSLEM A. A.

Bristol Team Gains Victory By Touchdown In Last Period

FINAL SCORE IS 7 TO 0

CORNWELLS, Oct. 21. — In a well-played game on the Benslem high school field yesterday afternoon, the Third Ward Eagles broke into the win column by scoring a 7-0 win over Benslem A. A.

A last period touchdown gave the Eagles the victory. It was scored by "Boake" Carter on a five-yard plunge following a drive of 65 yards late in the third session.

The march started when "Big" Davis went into the game and on his first chance took a double-pass behind the line of scrimmage and skirted right end for 23 yards to Benslem's 42 yard line. Holden and Maggs hit the line for a first down on the 31 and by the same two players socking the line, the Eagles went up to the five. Carter was inserted into the tilt and with one plunge took the ball over. He also placed the extra point.

But all the punk wasn't out of the Benslem team for it started a drive of its own before the game was over. Ashton started it with a pass to Killian for 40 yards to the Eagles' 18. Ashton then took the pigskin and by clever running reached the Eagles' eight. But "Johnny" Centenze stepped into the picture and got Trapp behind the line of scrimmage for a 13-yard loss and to top it off, Centenze intercepted.

PLOW INTO 9 PEDESTRIANS ON CROYDON HIGHWAY

Anthony Ditizio, 23, Phila., Held on Triple Charges; In Bucks Co. Jail

CAR MINUS LIGHTS

Three Philadelphians and Three Croydonites Hurt; Others Uninjured

A Philadelphia motorist was taken into custody in Philadelphia late yesterday and after a hearing before Justice of Peace Horace Cooper, Langhorne, last night, was held in \$2,000 bail for a further hearing tomorrow night, charged with driving without a license, and hit-and-run and driving without lights. He is now in the county jail.

The man is identified by police as being Anthony Ditizio, 23, of 7108 James street, Philadelphia.

The accident occurred at Second avenue and State Road, Croydon, at 145 a. m., yesterday. Constable Joseph Seader was called and he in turn called in Corporal Evans and Private Kutzky. State Police, Langhorne barracks.

The injured: William Irvin, 44, 2930 N. Franklin street, Philadelphia. Possible broken vertebrae, and bruises.

Anna Irvin, 45, 2930 N. Franklin street, Philadelphia. Lacerations of face, bruises and back injuries.

The story as related by Constable Seader and State Police is that the group of nine persons had left Maggie's restaurant on State Road at about 145 yesterday morning and were walking three abreast west on State Road with traffic.

The car driven by Ditizio is alleged to have run down the group and then continued on without rendering assistance. Seader was called and the injured were removed to the Harriman Hospital by the Bucks County Rescue Squad.

Pieces of glass from the headlight were found on the highway, and the make of car thus determined. Officers checked with police at the 27th District Police Station, Philadelphia. Sgt. William Smith, who is stationed there, reported having seen a motorist having head-

WHAT! NO VEST!

There is an uncertain note, and therefore an ominous one, in a pronouncement issued by the style committee of the National Association of Retail Clothiers and Furnishers. After looking into a controversy within the men's clothing industry over the question of whether suits should come with vests, the committee has reported:

"If a vestless suit trend exists it will be limited to young men's models in woolen and not worsted suits. The vestless suit is proper in its place on the college campus but its desirability in business and dress clothes is doubted."

This statement must cause some worry to men who are attached to the vest. It seems to admit that a vestless suit trend is here, which is not reassuring. True, it asserts confidently that it will be limited but in explaining this conclusion it says merely that the desirability of the suit without a vest, as far as business and dress wear is concerned, is merely "doubted." The tone is defensive, not to say defeatist.

So it looks as though it is none too early for American men to rally to the cause of the vest. Otherwise the next suit they buy may be minus this item. There has been insidious propaganda against it for some time, and this would seem to be a good time to put in that category the quip to the effect that "the coat and pants do all the work and the vest gets all the glory." The attack seems to be in the open at last and it is time to fight.

Man needs the vest. How else can he carry comfortably all the articles he cannot do without—wallet, check book, note book, pen and pencil, tobacco and lighter, spectacles, keycase, handkerchief, watch, cigars, comb and all the other items without which he is not fully equipped? Is man to carry a handbag? Perish the thought.

First intimation that the new cars people cannot buy will weigh 15 tons comes from Washington in an OPA announcement increasing some automobile prices \$75 because steel went up \$5 a ton.

If warnings of still more acute butter shortages are borne out, there will be still less of what people haven't been spreading on their bread recently.

Government now asks that you put the money you were going to pay for that new automobile in government bonds.

ECHOES OF THE PAST

(By Courier Staff Member)

Review of the news as it appeared in the Bucks County Gazette issue dated at Bristol Dec. 7, 1893. The Gazette, a weekly newspaper published in Bristol, was discontinued following its merger with the Courier.

A large amount of milk is being shipped to Philadelphia by the farmers residing along every station of the Cut-Off Road.

The St. James' Episcopal Church, with the co-operation of the Methodist, Baptist and Presbyterian Churches, has been actively engaged during the past week in relieving the wants of the suffering poor of the borough. Over \$300 in cash, and quantities of provisions and clothing have been collected and distributed to those who, having been thrown out of work by the hard times, have no present means of sustenance.

A thoughtless citizen of Upper Black Eddy threw some corn meal into the street the other day, which had been mixed with "rough on rats." In consequence of this careless act a number of fine fowls belonging to Michael T. Faust, a neighbor, died within a few hours after eating the meal.

At a meeting of the directors of Bristol Improvement Co. held on the 1st instant, John Burton was elected president.

Eighty-five turkeys, which farmers Slack and Reed, near Bristol, were fattening for Christmas, were slaughtered by dogs.

The members of Fidelity Council, Junior Order of United American Mechanics, were in high glee on Thanksgiving Day in Bristol. They seemed to take great possession of the town. The occasion that called forth their enthusiastic demonstration was the raising of a flag over the public school at Green Lane, near the Landreth seed farm. School director Hibbs of the township was the moving spirit in the introductory work, and Fidelity Council carried it to its consummation. Mr. Delly's address well befitted the glad occasion. Doron Green, in presenting the flag, covered himself with honor. Captain Burnet Landreth accepted the flag in the name of the directors. The teacher of the Green

Lane school, Miss Nora G. Clark, made her appropriate remarks with great self-possession.

(Following items from Gazette of Dec. 14, 1893.)

Eleven block cutters have been discharged at the Wilson & Fenimore paper mill. That branch of the business will hereafter be done elsewhere.

Numbers of property owners in Bristol find their incomes curtailed on account of the inability of tenants to pay their rents.

The German Lutherans of Bristol have religious services every Sunday in the second story of Washington Hall. On last Sunday Messrs. A. Bauer and R. Ruseman were installed as elders, ad G. Rathke and R. Pfeiffer, as deacons. Meetings have only been held for four Sundays, 33 families numbering about 149 persons attending.

Bristol Lodge, No. 25, F. & A. M., held its annual election and banquet in Masonic Hall on Saturday evening. In spite of the disagreeable weather there was a good turnout, about 80 members being present. The officers for the ensuing year are as follows: Josiah M. Owens, W. M.; Lemuel Vandergrift, S. News accounts say that most of its 35,000 staff expect to be out of a job shortly after election day. Rents, housing materials, and a few other fragments—that's all which is to be salvaged of a price control which once regulated hundreds of thousands of items.

The idea is that, by giving up on every front where bureaucratic controls have made enemies, the Democrats hope to "soften up" resentment so that the voters won't call for a change.

That could happen. It must not be permitted. Such repentance rises solely from fear, and not from any fundamental change in beliefs or methods. Remove the fear, and the repentance disappears.

The cause of the fear is dread of a defeat at the Congressional elections. If the Democrats pull through then, they can do as they please about restoring controls.

The whole stunt has the earmarks of a political trick. If it works, look out!

There is no sense arguing that the New Dealers wouldn't dare risk the confusion and possible collapse that a post-election drive to restore controls would involve. They will risk nearly anything for winning an election.

Two years ago they risked the war itself.

In 1944, when the New Dealers decided the Fourth Term election might be a tough one, they started in the summer with a phony "reconversion" program.

War contracts were cancelled. Factories were told to start re-tooling for peace. Workers were shifted from war production to consumer goods.

Then many of the controls were lifted. Rationing was eased. In some cases, it was dropped altogether. Stock-piles of scarce items were thrown on the market. Tires, sugar—lots of rarities suddenly became easy to buy.

Everyone was given to understand that "the war is nearly over." The picture was painted of a rapid and orderly return to normal peace conditions, with war controls to be abandoned as fast as possible.

There was a wave of "good feeling"—and the Democrats won in November.

Then we began to wake up. The drive in Europe bogged down. Something was wrong with the supply of war materials. No wonder, with the plants shut down at home! Guns couldn't get bullets. Planes couldn't get gas. Soldiers fought in the Alps in their African uniforms because winter clothing wasn't available.

The breakthrough and the Battle of the Bulge showed how thoroughly the war abroad had been neglected to fight the political war on the home front.

Between the summer of 1944 and the beginning of 1945, there was a change of many months in the estimates of the time it would take to finish winning the war, and the number of soldiers' lives which would be lost.

If there hadn't been an election to win at home, could the war not have been won on the original timetable?

Who can tell. All we know for certain is that the Army ran dry of supplies in the foreign theatre while civilian goods were made temporarily abundant on the home front.

When the election was over, the abundance at home

disappeared and the scarcities began again.

The moral is, if you've "Had Enough" of the New Deal meddling and controls, don't ease up now that victory is in sight.

If you've been mad, STAY MAD—at least until November 5.

Indignation and anger sometimes are not matters for pride; but no one need be ashamed of them when it is indignation over the undermining of the American system, and anger over stupidity and incompetence in public affairs, which is their origin.

COMMUNICATIONS

Editor, Courier:

The Bristol Teachers' Association wishes to publicly endorse an active Alumni Association for our local school and pledges its aid and support to the proposed organization.

We feel a strong Alumni Association, well supported, will provide the necessary connecting link between the school and the townsfolk. This bond is most desirable both socially and educationally and should be a milestone in better fitting our schools to the wants and desires of the community as a whole.

We urge all graduates to lend their every support, go along with the committee, and help build an effective organization.

Yours for better schools,
BRISTOL SCHOOL
TEACHERS' ASS'N.
CHARLES UTZ, President.

Editor Courier:

Please count me in on the formation of an Alumni Association for Bristol High School! It's a wonderful idea—and not a new one—but an old one which requires real interest and real action from all of the old graduates.

As president of the Class of '37, a dwindling group—I have been trying desperately for six months to have a 1947 "10 year Jubilee"—but my letters and appeals for help are ignored almost completely. It's a hard job—and I'm trying, with the help of about three other members, to put this affair over next June—but the response is shamefully poor and very discouraging.

What is really needed is an active organization which can maintain its records and activities in the high school—as a necessary part of the high school. The principal and the superintendent and the teachers should be just as ac-

tive in this whole organization as each of the graduates.

Plenty of interesting activities could be held, similar to those of the Mothers' Association etc. Dances and plays could be put over, along with special entertainments which which include Bristol talent—and ball teams and small clubs could even be organized to compete with the present undergraduates. The activities could cover such a wide variety that everyone would be sure to find some interest and some inducement to attend.

I'm trying my best—handicapped with living away from Bristol and caring for my four little children—to keep the records of our class, marriages, deaths, servicemen, servicewomen, etc. It's interesting to me—and I know that some of the information I have would be interesting to others—if there were any way for these records to be disclosed at a formal meeting, including all of the "grads".

It's a huge job—but I really believe it can be done if everyone will help.

Very sincerely,
Dora Waldron Gregory,
402 W. Courtland St.,
Philadelphia, 19, Pa.

Deafened People May Now Hear Clearly

Science has now made it possible for the deafened to hear faint sounds. It is a hearing device so small that it fits in the hand and enables those who to enjoy sermons, music and friendly companionship. Accepted by the Council on Physical Medicine of the American Medical Association. This device does not require separate battery pack, battery wire, case or garment to bulge or weigh you down. The tone is clear and powerful. So made that you can adjust it yourself to suit your hearing as your hearing changes. The makers of Belton, Dept. 3325, 1450 W. 19th Street, Chicago, 8, Ill., are so proud of their achievement that they will gladly send free descriptive booklet and explain how you may get a full demonstration of this remarkable hearing device in your own home without risking a penny. Surveys Being Completed For "Backbone" Road

Continued from Page One

ough of Newtown. Survey for this section has been established.

Stage No. 2
Six and one-half miles from a point near Newtown Borough to the vicinity of Rushland.

Stage No. 3
Seven and four-tenths miles from a point near Rushland to Traffic Route 611 near Cross Keys in the vicinity of Doylestown.

Stage No. 4
Five and one-tenth miles, in two parts. One is through the Borough of Dublin, the other, an extension through Quakertown to a point on the Bethlehem Pike near Shelly.

This will complete the Doylestown-Quakertown part of the highway, which already has been improved from Cross Keys to the southern line of Dublin Borough, and from the northern boundary of Dublin to Quakertown.

Work will soon begin on the improvement of the road from Loux Corners to the Dublin Borough line in Hilltown Township. The entire length of this road will be regraded and widened to provide an improved grade and a good riding surface.

New drainage structures, cross pipes and subsurface drainage will be installed and a new crushed stone base course will be constructed, after which the roadway will be surfaced with a durable bituminous penetrated surface which will give many years of service to the traveling public.

A new bridge is being constructed between Spinnerstown and Steinberg in Milford Township. This bridge over Lacking Creek replaces the old multiple span concrete deck bridge which was in poor condition and inadequate for present day and future traffic needs. Work is in progress on this 24-foot span, 9-foot clear reinforced concrete structure, which will have a 30-foot clear roadway. At the present time the abutments and the superstructure or deck, have been completed and only the concrete parapets remain to be completed. The bridge ap-

3 Young Women Attend Miss Stella at Wedding

Three young women were attendants of Miss Laura C. Stella, 4 Mill street, and three young men attended Mr. Leonard DeChico, Trenton, N. J., where they were united in marriage at a ceremony in St. Ann's R. C. Church yesterday morning at the hour of 11.

The former Miss Stella, daughter of Mr. and Mrs. Sylvester Stella, 4 Mill street, was escorted to the altar by her father. She had as her maid of honor, Miss Marie Marino, Dorrance street, and as her bridesmaids, her sister, Miss Edith Stella, Mill street, and the groom's sister, Miss Katherine DeChico, of Trenton. Mr. DeChico had as his best man, Mr. Victor Di Cola; the ushers be-

ing Messrs. Frank Gervasio and James Mele. The latter three are residents of Trenton.

As she made her way up the aisle the bride wore an 18th century style costume of ivory satin. Made with a high neckline the gown buttoned down the front. Collar and cuffs were of chantilly lace. The gown was patterned with a bustle and long train. With this was worn a finger-tip veil of illusion, the headpiece being composed of orange blossoms. Satin slippers were worn, and the bride carried a cascade bouquet of mixed white blossoms.

Miss Marino, the maid of honor, was costumed in yellow; and the bridesmaids, the Misses Stella and DeChico, in turquoise. The gowns were of taffeta, patterned similar to the one worn by the bride, with the exception they had no trains, and bows were used in place of bustles. The half-hats, which matched their individual gowns, were of taffeta. They wore slippers of silver tone, and carried arm bouquets of yellow roses and pom-pom chrysanthemums.

One hundred and twenty guests were served dinner at Roman Hall, Trenton, N. J., a reception following.

The newlyweds are spending a week in New York, N. Y.; and Quebec, Canada. The bride traveled in a two-piece wool suit of aqua

tone, black hat and accessories, and wore a gardenia corsage. Mr. and Mrs. DeChico will reside at 4 Mill street.

The bride is a graduate of Trenton (N. J.) Central high school. The groom, who spent four years in the U. S. Navy, being discharged last February, is the son of Mrs. Veronica DeChico, Trenton.

Rogazzo-Messinelli
Miss Mary Messinelli, Penn street, was united in marriage to Mr. Frank Rogazzo of Trenton, N. J., on Saturday at three p. m., in St. Ann's R. C. church. The Rev. Peter Pinci officiated. The bride is the daughter of Mr. and Mrs. Joseph Messinelli, 335 Penn street. A reception followed in Sons of Italy Hall, the newlyweds then leaving for a week's stay in New York, N. Y. They will make their home in Trenton.

11 Are in Bridal Party At Winkler-Louderbough Nuptials

Eleven young men and women were in the bridal party when the Winkler-Louderbough nuptials were solemnized in Bristol Methodist Church on Saturday afternoon at the hour of three.

The Rev. W. E. Preston Haas, pastor of the church, officiated at the ceremony which united Miss Anne Louise Louderbough, niece of Miss Elizabeth McBrien, 301 Madison street, and Mr. Bernard J. Winkler, son of Mrs. Mary Winkler, of Allentown. Throughout the ceremony organ music was rendered by Miss Winifred V. Tracy, of Buckley and Beaver streets.

Mr. Maurice Louderbough, Rogers road, Bristol Township, gave his sister in marriage. The bride was attractive in a gown of white and silver. The bodice of jersey had silver thread scroll decor. Floor-length skirt and long sleeves were of net. A spray of orange blossoms was used as trim for her net cap from which was draped a finger-tip net veil. Slippers were of white and silver, and the bride carried an arm bouquet of white chrysanthemums with white orchid in the center.

The young women in the bridal party were as follows: Matron of honor, Mrs. Henry Richardson, of Columbia, Tenn.; bridesmaids—Mrs. Randolph Ellow and Miss Margaret Winkler, Allentown, sisters of the groom; Mrs. Vernon Jones and Mrs. Harry Schimpf, Philadelphia; junior bridesmaid, Lorretta Ellow, Allentown, niece of the groom.

Mrs. Richardson's gown was of nile green net over green satin. The bridesmaids' gowns were made with faille bodices and net skirts; and the junior bridesmaid wore a gown of all net with satin ribbon trim. Mrs. Ellow, Miss Winkler and the junior bridesmaid were costumed in yellow; and Mrs. Jones and Mrs. Schimpf in nile green. The matron of honor wore silver slippers, and fresh flowers in her headpiece and her bouquet were rust-toned chrysanthemums. The four bridesmaids also wore silver slippers, and their head adornments and bouquets were of yellow mums. The junior bridesmaid wore yellow bows on her hair and carried yellow mums.

Mr. Winkler was attended by Mr. Fred Balocchi, McKinley street; the ushers including: Messrs. Otto Winkler, brother of the groom, Rudolph Bieschi, Edward Kipple, and John Baertsh, all of Allentown.

A small reception at the home of Mr. Maurice Louderbough, Rogers road, followed the ceremony. The newlyweds passed the week-end in New York, N. Y. Travelling costume of Mrs. Winkler included a dark green suit with flowered satin blouse and hat in autumn shades, brown fur neckpiece, green and brown accessories, and the orchid from her bridal bouquet. The bride and groom will make their home in Allentown.

For attendance at the ceremony Miss McBrien, aunt of the bride, chose a suit of black faille, black hat with pink feather trim, black jersey gloves enhanced with pink sequins, black accessories, and corsage of pink gladioli. Mrs. Winkler, the groom's mother, wore a brown dress and hat, with trim of deep salmon and blue flowers on her dress and hat, and salmon gladioli corsage.

ST. ANN'S SCORES ONE-SIDED WIN OVER UNRUH A. A.

Local Boys Unleashed All
Their Fury Upon The
Visitors

WIN BY SCORE OF 44-0

'Saints' Go Into Lead of The
Northeast Philadelphia
Conference

St. Ann's A. A. unleashed all its scoring fury on Unruh A. A. yesterday afternoon on Leedom's field, defeating the visitors, 44-0, and taking first place in the western division of the Northeast Philadelphia Conference.

The "Saints" went into first place because Bridesburg pulled an upset and trimmed the Olney Vets, 25-9. St. Ann's has won four straight league games.

Seven touchdowns were made by the local gridirers in the tilt. "Reds" Feole and Stan Lelinski both score twice while the others to cross the goal line were "Hoby" Merritt, "Bobby" Bauroth, and "Mooney" Denny. One of Lelinski's scores was a run of 43 yards, while Denny's six-pointer was a 59-yard pass.

Unruh did not have anything to cope with the Saints but possessed a fast backfield star in Tommy Kirk, a soldier who comes home on weekends to play football. They reached the 11-yard line of the Purple and Gold in the second quarter when Merritt got off a bad kick but Jimmy Rue intercepted a pass on the 19 and the drive ended.

Coach "Pete" Borncise was kept busy all afternoon shifting his players, giving them a change to see action. "Danny" DeMidio who is fast rounding into his old-time form spent a lot of time in the game, guiding the second team in action. It was Danny's blocking which enabled this team to score three times in the third quarter.

The St. Ann's powerhouse drives netted a total of 17 first downs and several others were made but called back because of penalties. Time and time again, the "Saints" were penalized but these were not felt because of the lead they had. Unruh had four first downs to its credit.

The St. Ann's linemen had holes large enough for army tanks to go through and practically everything a back hit the line there was a gain of at least five yards.

"Teddy" Sak kicked off for the St. Ann's team to Denny. Unruh's defense was downed on the 20. Kirk lost 10 yards on an attempted end run. Kirk kicked to Schreiner at mid-field. Chickletti lost four yards when Pokorny got him. St. Ann's quickly kicked to Kirk on the 35. Kirk lost three yards and followed this with a 15-yard loss on a fumble. Kirk kicked to Schreiner on the 47. Spencer and Schreiner hit the line for a first down and a pass. Chickletti to Bauroth netted a first on Unruh's 18. Spencer hit center for 5 yards and followed this with a drive to the 2 yard line. Bauroth carried the ball over on a quarter-back sneak. Profy booted the extra point to make the count, 7-0.

After Sak kicked off to Kirk on the 15, Gullatto broke through and got Brown for a loss. Kirk kicked but Lelinski fumbled and Mooney recovered on his 42. Operacz lost five yards on an attempted reverse. Kirk kicked to Lelinski who ran it back 20 yards to Unruh's 43. Lelinski went off-tackle for a touchdown. Profy missed the extra point and the score was 13-0. After the kick-off, Unruh failed to gain so Kirk kicked to Merritt who ran it back to the Unruh 45, as the quarter ended.

After a slight gain, St. Ann's was

LITTLE GIANT By Jack Sords

penalized 15 yards. A pass, Merritt to Massi, was completed for a first down on the 30. But the Saints failed to net the necessary yardage and lost the ball. Kirk got nine yards off tackle but Denny was thrown for a loss. Kirk booted to Schreiner on the St. Ann's 30. Merritt got off on a 45-yard run but the play was recalled and St. Ann's penalized to their 15. Merritt got off a bad kick which rolled out of bounds on St. Ann's 27. St. Ann's drew a five-yard penalty. A pass, Operacz to Corkery, was completed to the St. Ann's 11. But Rue intercepted the next pass on St. Ann's 10. DeMidio clicked off 9 yards and Merritt made a first down on the 25. Merritt added 13 more yards on an end run and after Bauroth added three, Lelinski carried the ball to the 48. Merritt and Bauroth made a first down on Unruh's 37. Bauroth tossed a pass to Massi who went over for the score but St. Ann's was penalized 15 yards from the 2 to the 17. After a short pass was completed, Merritt to Keyes, Merritt hit the line and went 13 yards for the touchdown. Profy place-kicked the extra point to make the count, 20-0, at the half-time whistle.

On the opening kick of the second half, Lelinski traveled from his 19 to the 40. Spencer made a first down on a line play but was injured and removed from the game. After an Unruh penalty, Merritt hit the center of the Unruh line for a first down on the 12. A pass, Bauroth to Lelinski, was completed for a score. Sak missed the conversion, making the count, 26-0. Sak then kicked over the Unruh goal line and on the first play, St. Ann's drew a penalty of five yards. After a nice run by Kirk, Unruh was penalized for holding to its one-yard line. Kirk kicked to the 30 but Lelinski got away and ran to the 7 before being brought to the earth. Bauroth was stopped one foot away from Touchdown but Feole carried it over and the count rose to 32-0.

Profy kicked off to 13 and then nailed him on the 20. Line plays by Connell and Operacz gave Unruh a first down but Profy intercepted a pass at mid-field. A St. Ann's fumble lost 5 yards but DeMidio rifled a pass to Denny from the 55 to the 30 and the St. Ann's wingman went the remaining distance to score. The extra point try was missed, making the count, 38-0. After the kick-off, Unruh had another first down when Operacz completed a pass to Corkery on the St. Ann's 48. Another pass was completed but Corkery fumbled and Mangiaracina recovered for St. Ann's. After failing to gain, DeMidio got off a long boot to Unruh's 19. Unruh exchanged the punt to its 32. Brescia gained 4 yards and Feole cracked

the Unruh forward wall for a first down on the 29 as the quarter ended. With Feole and DeMidio taking turns at the line the ball was carried to the one-foot line from where Feole took it over to make the count, 44-0. Most of the playing for the remainder of the game was at mid-field although just prior to the whistle, DeMidio ran the ball back from the mid-stripe to Unruh's 20. St. Ann's will play its second home game under the lights Wednesday night on the high school field, meeting the Trenton Eagles. Next Sunday, the Saints will play Willow Grove in a conference tilt.

Third Ward Wins Over Bensalem A. A.

Continued from Page One

cepted a pass on the next play to give the Warders the ball.

Third Ward should have scored early in the contest. A pass, Maggs to Keyes was good for 18 yards and put the ball on the Bensalem 11 but the play was recalled for an off-sides penalty. Al Cliver then broke away on an end play and was stopped on the 11-yard line but again a penalty was called and the ball brought back.

The Warders had their backs to the wall late in the second period when Bensalem reached their 13-yard line. But the Eagles' line, led by Wade and Reibel stopped the Bensalem boys in their tracks and they gained but four yards in four plays. Carter then pulled the Third Ward team out of danger when he found an opening in the line and ran 22 yards before being brought to the earth.

Carter was the outstanding ball carrier for the winners and he along with "Len" Simons did some very nice punting, averaging 40 to 50 yards on a boot, and keeping Bensalem in a hold all afternoon. One of Simons' punts sailed 68 yards in the air before bounding out of bounds.

In the line, the playing of Wade and Reibel was the feature of the game. For a while it appeared as if these two Warders were playing in the Bensalem backfield they were there so much stopping plays.

Gene Ashton was Bensalem's best doing most of the ground-gaining and passing.

Hopkins Lodge Marks Anniversary

Continued from Page One
Kershaw, William L. Mullin, Donald E. Quillen, Charles A. Reeves and George S. Schell.

The Rev. Burke spoke humorously and greatly interested his audience. But as he concluded his talk he dwelt upon the words: "Get, Give, Glow and Grow," developing his theme and concluding by saying, "Get all you can out of life; give all you can to life; glow and be happy and grow and develop with life."

There were a number of acts by professional entertainers as a concluding feature of the evening.

Hopkins Lodge was instituted on the 16th of October, 1843, with the first meeting being held on November 25th, 1943, when the lodge was legally opened for the purpose of benevolence and charity.

Pugh Dungan was chosen as the first noble grand, the other officers named at that time being: Joseph McCarton, vice grand; Charles T. Brundon, secretary; William Early, assistant secretary; and James Strimback, treasurer.

The lodge derived its name from Grand Master Hopkins who occupied the chair on the night the lodge was constituted.

The early meetings took place in the old Masonic hall on Saturday evenings until Hopkins Lodge built Washington Hall at Radcliffe and Walnut streets in the year 1848.

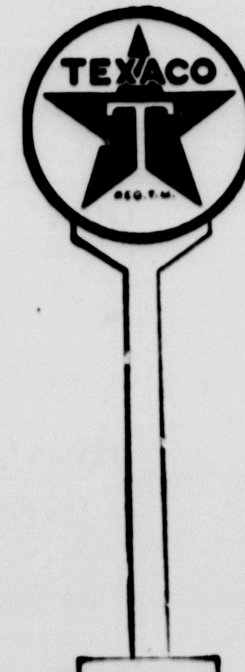

About 1924, membership was at a low ebb, having dropped to approximately 27. At that time the late Russell W. Cartwright joined Hopkins Lodge, and realizing that "new blood" was needed, he enlisted aid of Odd Fellows in a membership drive. From then on, membership has increased, until the lodge at present is one of the most active in the community. Eighteen of the members joined the armed services since the cessation of hostilities.

HARRISBURG (INS) — The capital city has joined the list of communities outlawing excessive horn-blowing by automobiles carrying wedding parties.
